ANANDAPURAM, VISAKHAPATNAM.

The grand annual technical and cultural extravaganza of Viswanadha Institute of Pharmaceutical Sciences (VNIPS), Anandapuram, Visakhapatnam, was celebrated on an unprecedented scale during 8-9 March 2019. Established in 2008, VNIPS celebrated 10 glorious years of Academic Excellence and Pharmotsav-2K19. The grand fest kick-started with a round of auditions for singing, dancing and compering in the first and second week of February 2019. Following this, there was a grand inauguration on 8<sup>th</sup> March 2019.

### 1<sup>st</sup> day of fest- Inauguration and plenary lectures

One could feel the vibrancy, the minute they set foot in the auditorium. Students dressed in their ethnic best, set the mood for celebrations. The tone of decorations was very festive. Principal, Vice-principal and all the invited guests declared the fest open with the lighting of the lamp and a beautiful 'Saraswati Vandana' – praise to Goddess Sharada, sang by the students of VNIPS. Then, students welcomed the dignitaries by presenting blossoming bouquets of flowers to them, one to one. The event was diligently organized and graced by eminent personalities.

The conference began with opening remarks by Dr. M. Savithri, Vice-Principal and Convener of the Fest welcomed the gathering and delivered the message. Principal Dr. P. Uma devi, acknowledged the speakers and guests of honour. She encouraged the students with her warm and motivating words.

The Chief Guest of the inaugural function, Sri K.V.V. Raju, CEO at Granules OMNICHEM Pvt. Ltd, Hyderabad, congratulated the college management for organizing such a mega event, which involved participants from many colleges. Dr. A. Lalitha, DM Neuro Physician addressed the delegates and enlightened the students with their valuable and inspiring speech regarding the innovations and future in pharmacy.

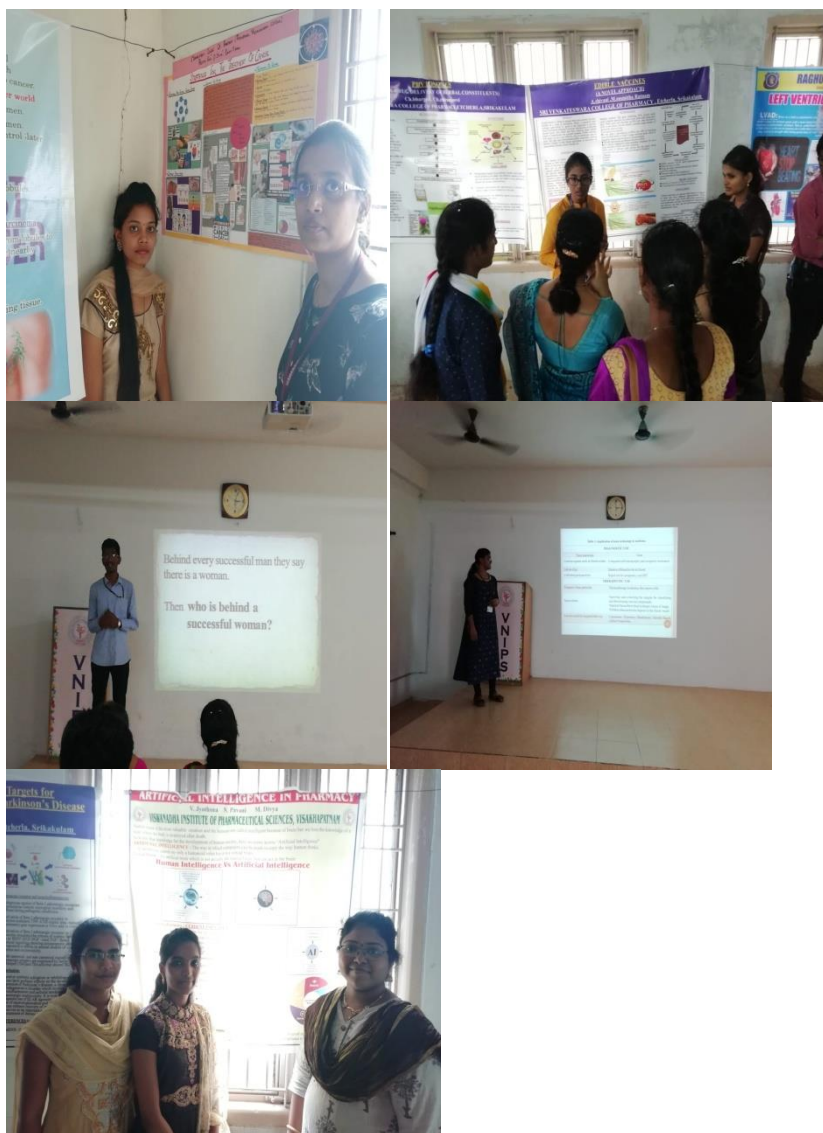

Plenary lecture was delivered by Guest of Honour, Prof. Dr. P.K. Lakshmi, Department of Pharmaceutics and Pharmacy practice from G. Pulla Reddy college of Pharmacy on the topic- Rational use of drugs.

Many students who attended the seminar have participated in oral and poster presentations. Apart from their participations, students have interacted with the speakers, evaluators and had pleasant conversation with fellow delegates. They exchanged views and ideologies among themselves which inspired them and gave a good experience. The participation of Alumni from across the different batches through the years, added a dash of nostalgia to the star-studded event.
